V3	DME	Jan 2025	Policy reviewed and updated	26/01/2024

1. Introduction

Sections 449-462 of the Education Act 1996 set out the law on charging for school activities in schools maintained by local authorities in England. Woodpecker Court is not presently a maintained school, it is deemed as both an Alternative Education and Specialist Post 16 Provider; therefore, not all of Sections 449-462 of The Education Act apply.

This policy contains both information that Sections 449-462 of the Education Act 1996 contains as well as information specific to Woodpecker Court. Where the word “school” is used this pertains specifically to the content of The Education Act, where applicable there will also be a description of what Woodpecker Court does to meet the requirements of The Act that apply.

Woodpecker Court will ensure that they inform parents on low incomes and in receipt of the benefits listed later in this document of the support available to them when being asked for contributions towards the cost of trips the provision may undertake or for any necessary equipment.

Woodpecker Court operates a separate policy for Bursaries for Post 16 Students.

2. Charging and Remissions Policies

No charges can be made unless the Board of Woodpecker Court has drawn up a charging and remissions policy giving details of the optional extras that they intend to charge parents for, and a remissions policy.

The remissions policy must set out any circumstances in which Woodpecker Court proposes to remit (wholly or partly) any charge which would otherwise be payable to them in accordance with their charging policy. For example, Woodpecker Court may decide to provide an evening activity class as an optional extra. The Principal may decide to reduce the cost for those students whose parents are in receipt of certain benefits.

3. Education

Maintained Schools cannot charge for

- an admission application to any state funded education provided during school hours (including the supply of any materials, books, instruments or other equipment);
- education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the student is being prepared for at the school, or part of religious education;
- instrumental or vocal tuition, for students learning individually or in groups, unless the tuition is provided at the request of the student’s parent/carer.
- entry for a prescribed public examination, if the student has been prepared for it at the school; and examination re-sit(s) if the student is being prepared for the re-sit(s) at the school.

As Woodpecker Court is not a maintained school we can charge our partner schools and agencies for the services above therefore usually avoiding the need for these charges to be passed to Parents/Carers.

Schools can charge for:

- any materials, books, instruments, or equipment, where the student’s parent or carer wishes the student to own them;
- optional extras (see below); and
- music and vocal tuition, in limited circumstances.

4. Community Facilities

Swimming Lessons

Schools may choose to offer swimming lessons in order to meet the statutory requirement. Schools are not permitted to charge for swimming lessons in school hours or for lessons outside of school hours. However, it is permitted to request a voluntary contribution from Parents/Carers.

5. Optional Extras

Charges may be made for some activities that are known as “optional extras”. Where an optional extra is being provided, a charge can be made for providing materials, books, instruments, or equipment.

Optional extras are:

- education provided outside of school time that is not:
 - a) part of the National Curriculum;
 - b) part of a syllabus for a prescribed public examination that the student is being prepared for at the school;
 - c) part of religious education.
- examination entry fee(s) if the registered student has not been prepared for the examination(s) at the school;
- transport (other than transport that is required to take the student to school or to other premises where the local authority/governing body have arranged for the student to be provided with education)
- board and lodging for a student on a residential visit.
- Extended day services offered to students (for example breakfast club, after school clubs, tea and supervised homework sessions)

In calculating the cost of optional extras an amount may be included in relation to:

- any materials, books, instruments, or equipment provided in connection with the optional extra;
- the cost of building and accommodation;
- non-teaching staff;
- teaching staff engaged under contracts for services purely to provide an optional extra, this includes supply teachers engaged specifically to provide the optional extra; and
- the cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra.

Whilst Woodpecker Court could charge for these services, should we offer them we do our utmost to try and seek alternative funding and therefore only charge parents/carers a nominal amount, assuming funding has been received.

Any charge made in respect of individual students must not exceed the actual cost of providing the optional extra activity, divided equally by the number of students participating. It must not therefore include an element of subsidy for any other students wishing to participate in the activity whose parents/carers are unwilling or unable to pay the full charge.

Furthermore, in cases where a small proportion of the activity takes place during school hours the charge cannot include the cost of alternative work for those students who do not wish to participate. Therefore, no charge can be made for supply tutors to cover for those tutors who are absent from school accompanying students on a residential visit.

Participation in any optional extra activity will be on the basis of parental choice and a willingness to meet the charges. Parental/carer agreement is therefore a necessary pre-requisite for the provision of an optional extra where charges will be made.

It is important to note that no student should be excluded from an activity simply because his or her parents are unwilling or unable to pay. If insufficient voluntary contributions are raised to fund a visit, or the provision cannot fund it from some other source, then it must be cancelled. Schools must ensure that they make this clear to parents. If a parent/carer is unwilling or unable to pay, their child must still be given an equal chance to go on the visit. Schools should make it clear to parents/carers at the outset what their policy for allocating places on school visits will be.

When making requests for voluntary contributions, parents must not be made to feel pressurised into paying as it is voluntary and not compulsory. Schools should avoid sending colour coded letters to parents as a reminder to make payments and direct debit or standing order mandates should not be sent to parents when requesting contributions.

6. Damage to Woodpecker Court Property

6.1 Deliberate Vandalism / Malicious Damage

Woodpecker Court will charge for:

We will send parents/carers an invoice for the FULL cost of the repair to rectify the damage but will be expecting, at the very minimum, a contribution towards the cost of repairing the damage. This contribution will be agreed mutually between the Principal and the parent/carer.

In cases where students have deliberately or repeatedly caused damage to Woodpecker Court property, we will at our discretion (and dependent on the extent of the damage), call the Police and report the student concerned for criminal damage.

6.2 Accidental Damage

Woodpecker Court will charge for:

Cases where students have accidentally caused damage to Woodpecker Court property or property belonging to anyone or anything associated with Woodpecker Court, we will send parents/carers an invoice for the FULL cost of the repair to rectify the damage but will be expected, at the very minimum, a contribution towards the cost of repairing the damage. This contribution will be agreed mutually between the Principal and the parent.

7. Residential Visits

The school cannot charge for:

- education provided on any visit that takes place during school hours;
- education provided on any visit that takes place outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the student is being prepared for at the school, or part of religious education; and
- supply teachers to cover for those teachers who are absent from school accompanying students on a residential visit.

The school can charge for:

- board and lodging and the charge must not exceed the actual cost.

When the school informs parents/carers about a forthcoming visit, we will make it clear that parents who can prove that they are in receipt of the following benefits will be receive a reduction or be exempt from paying the cost of board and lodging:

- Universal Credit;
- Income Support (IS);
- Income Based Jobseekers Allowance (IBJSA);
- support under part VI of the Immigration and Asylum Act 1999;
- Child Tax Credit, provided that Working Tax Credit is not also received and the family's income (as assessed by Her Majesty's Revenue and Customs) does not exceed £16,190.
- the guarantee element of State Pension Credit
- an income related employment and support allowance that was introduced on 27/10/08.

Examples

If the number of school sessions taken up by the visit is equal to or greater than 50% of the number of half days spent on the visit, it is deemed to have taken place during school hours (even if some activities take place late in the evening). Whatever the starting and finishing times of the school day, regulations require that the school day is divided into 2 sessions. A "half day" means any period of 12 hours ending with noon or midnight on any day.

Example 1: Visit during school hours

Students are away from noon on Wednesday to 9pm on Sunday. This counts as 9 half days including 5 school sessions, so the visit is deemed to have taken place during school hours.

Example 2: Visit outside school hours

Students are away from school from noon on Thursday until 9pm on Sunday. This counts as 7 half days including 3 school sessions, so the visit is deemed to have taken place outside school hours.

8. Music Tuition

Although the law states that, in general, all education provided during school hours must be free, instrumental and vocal music tuition is an exception to that rule.

The Charges for Music Tuition (England) Regulations 2007 set out the circumstances in which charges can be made for tuition in playing a musical instrument, including vocal tuition. They allow charging for tuition in larger groups than was previously the case.

Charges may now be made for vocal or instrumental tuition provided either individually, or to groups of any size, provided that the tuition is provided at the request of the student's parent. Charges may not exceed the cost of the provision, including the cost of the staff who provide the tuition.

The regulations make clear that charging may not be made if the teaching is either an essential part of the national curriculum, or is provided under the first access to the key stage 2 Instrumental and Vocal Tuition Programme. They also make clear that no charge may be made in respect of a student who is looked after by a local authority (within the meaning of section 22(l) of the Children Act 1989).

9. Transport

The school cannot charge for:

- transporting registered students to or from the school premises, where the local education authority has a statutory obligation to provide transport;
- transporting registered students to other premises where the Board or local education authority has arranged for students to be educated;
- transport that enables a student to meet an examination requirement when he has been prepared for that examination at the school; and
- transport provided in connection with an educational visit. Education partly during school hours

Where an activity takes place partly during and partly outside school hours, there is a basis for determining whether it is deemed to take place either inside or outside school hours. However, a charge can only be made for the activity outside school hours if it is not part of the National Curriculum, not part of a syllabus for a prescribed public examination that the student is being prepared for at the school and not part of religious education.

10. Non-residential activities

If 50% or more of the time spent on the activity occurs during school hours, it is deemed to take place during school hours. Time spent on travel counts in this calculation if the travel itself occurs during school hours. School hours do not include the break in the middle of the day.

Where less than 50% of the time spent on an activity falls during school hours, it is deemed to have taken place outside school hours. For example, an excursion might require students to leave school an hour before the school day ends, but the activity does not end until late in the evening.

11. Freedom of Information Act 2000 (FOIA) and Data Protection Act 1998

The school has a FOIA Publication Scheme and Data Protection Policy both clearly detailing the charging structure for any information requested.

12. Complaints

All complaints will be dealt with according to the schools Complaints Policy which is available on request from the Woodpecker Court office.
